## Vision With A Mission

- Mittal International School is an inspiration from Dulichand Mittal Charitable Trust, an organization with the sole aim of imparting excellent school education. Our education system is blend of the best in India culture with modern internationally accepted practices, thus cultivating and evolving children to become universally responsible citizens.
- MIS believes that spiritual education together with academic and scientific training is need of the hour. Right values taught at the right age will imparts strong character to students.
- The School is sincerely committed to academic excellence. We strive to balance Indian inheritance with the latest global advancement in science and technology.
- The school endeavours to inculcate and instill a dedicated spirit towards all activities thus enabling the students to realize their potential from an early age.
- Discipline is the hall mark of life. It shapes the life long achievements on the path of success. A self disciplined pupil transforms the whole society.

### Editors' Perception

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"

The publication of this 10<sup>th</sup> issue of Gyanada magazine is a major milestone in the progress and development of the school. The magazine will open window of opportunity to many people who will know that as an institution, we are destined to the bright future. It ignites pleasure and satisfaction in us to ensure about the great stride gained by MIS School in the short period of its existence.

We are creating a future full of optimism and enthusiasm, a future where every endeavor will succeed and ineptitude and disillusionment will be something of the past.

To all readers: Parents, pupils, friends and even stakeholders, a little patience and sobriety will help to see us through. Remember, you never get the chicks by breaking the eggs; they hatch.

We want to place on record our most sincere gratitude to the board of directors respected Principal, staff, students and parents for their support in compiling this booklet of achievements.

## Message...

Ask any entrepreneur who has realized his dream and they will be sure to tell you that the ultimate reward rests not in the profits earned by the Institute that they have created but in the reputation and longevity of the Institution that they have built. For MIS the feeling of pride and joy is magnified since, the idea for the creation of MIS germinated in my mind. The progress from sapling to a tall tree has been due to the efforts of a dedicated team of people whom I was fortunate to bring together. As we celebrate the 10<sup>th</sup> anniversary of MIS I feel honoured to look back on the various milestones that we have achieved.

---

**Dhulichand Mittal**

Chairman  
Mittal International School

## Message...

Today the role of a school is not only to pursue academic excellence but also to empower its students to be lifelong learners. We at MIS try to provide the best possible environment for healthy development of young children by providing a carefully planned and structured environment in which the child grows and learns in a natural way.

'Touching Minds. Shaping Futures' is our guiding force and we remain committed to our endeavor.

I feel honoured that MIS presents before you the 10<sup>th</sup> issue of Gyanada.

I also take this opportunity to thank the parents of our students for having bestowed their faith and confidence in us. Your faith in us is our driving force.

---

**Anju Agarwal**  
Vice Chairperson  
Mittal International School

## Message...

A decade back MIS pledged to transform education. The school is being run under the aegis of well established Management and earned its own niche. At MIS we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. We envisage to provide state of the art educational facilities to our students to impart student - friendly, stress free and value based learning experience.

---

**Srinand Agarwal**

Co-Chairman

Mittal International School

## Message...

Our Mission! Piloting the growth of a school is a blessed experience, a pilgrimage. Our primary aim is to develop in the students, qualities of integrity, honesty, trust, tolerance and compassion. Towards these 10 years this end the school endeavours to provide a large and dedicated teaching staff with a wide range of skills and interests, a varied and wide choice of activities academic, aesthetic and athletic. We value the trust and confidence reposed in us by the parents of the school by handing over their ward to us.

My approach is "GET CONNECTED" and thereafter "STAY CONNECTED" with the school. SUCCESS HAPPENS ONLY WHEN PREPRATION MEETS PERFORMANCE! May God's abundant blessings be upon you always.

---

**Anil Agarwal**

Co-Chairman

Mittal International School

It is very difficult to believe that what was once dreamt is being fulfilled now. The idea of putting the foundation of an educational institution was so inspiring, what was once planted as a sapling is now all grown into a large tree. Here I can see a blend of extra ordinary and smart students and their parents who have made this day arrive, they have come to us from each & every corner of the city.

Every year I and my dedicated teacher's team appreciate the efforts put in by the parents along with their wards. John Dewey quotes that "If we teach students today as we taught them yesterday we rob them of tomorrow". The world is fast transitioning into a knowledge economy. To be an actively contributing member, each child must be equipped with 21<sup>st</sup> century skills like critical thinking, creative thinking, problem solving & collaboration. Love for learning & passion for exploring lead to the development of a community of lifelong learners.

Keeping this in mind we have been constantly adopting new strategies and methods to match the international standard.

The year 2016-17 was marked with many events & success stories. I am elated to present before you its concise report.

**New Session** commenced on 5<sup>th</sup> April welcoming the rich lot of old & newly admitted students and staff thereby increasing our strength.

- \* Investiture ceremony to carry the mantle of leadership was held in April & the Sr. Kohinoor Head Boy Ishan Ranjan & Head Girl Prakrati Jain, Vice Sr. Kohinoor Anubhav Singh & Diksha Singhal along with their cabinets took an oath.
- \* Board Result were declared in the month of May. 100% result in 10<sup>th</sup> with a commendable 10 CGPA obtained by Karishma Singh, Alveena Khan, Harshvardhan Singh, Himanshu Gautam, Chetan Gautam, Kushangi Mittal, Jatin, Simarjeet Singh & Sonveer Singh. In 12<sup>th</sup> the toppers with above 90% were Shivam Khandelwal, Shashwat Negi, Abhishek Asi in Maths, Utsavi Modi, Anunay Sahu, Ayushi Sachan in Bio & Pragati Hada achieve 95.2% in Commerce stream.
- \* Success story continued with students qualifying various competitive exams. To name a few, Mahi Garg got selected in RNT Medical College, Udaipur. Avantika Gupta got admission in AJIMS College Mangalore for MBBS. Ritika Dhakad also got selection in AIIMS Delhi with AIR-29. Shivam Khandelwal has cleared IIT. Pragati Hada of 12<sup>th</sup> Commerce has cleared Entrance Exam of CA (CPT) with good rank. Kavita Meena of Commerce Stream has cleared Entrance Exam of CS and was in top 20.
- \* Anushka Jain got admission in Law from symbiosis College Pune.

**Olympiads** organised by IMO, NSO, IEO, NSTSE & ISSO saw the participation of almost 150 students with excellent performance given by

**Dr. Sangeeta Kacker**  
Principal

- \* Pragun Dahiya & Khushi Singhal in NSO
- \* Nakul Sharma & Vaibhav Verma in IMO
- \* Divyansh Meena & Karishma Singh in IEO
- \* Arpit Fojdar & Ananya Agarwal in NSTSE
- \* Another feather in the cap was added when Ananya Agarwal of Grade X qualified and bagged 3 rank at (All India level) - In Indian's Best Student Contest held in Mumbai by RAO IIT Academy after clearing her zonal round. She won a prize of Rs. 5 Lakhs.
- \* In Intach Heritage Quiz Competition 10 students reached the final round.

- \* A Quiz & Slogan writing competition was organized by Edge Academy on Kargil Vijay Diwas. 4 Students won prizes.
- \* 25 Students participated in State Level Interschool Competition organised by Brain-O-Brain Wonder Kid 2017. Tanisha Gulati and Sheetal Tiwari bagged the silver medal with a trophy for the school.
- \* In 'Bharat Ko Jano Pratiyogita' organised by Bharat Vikas Parishad 4 students qualifies for 2<sup>nd</sup> level, Vaibhav Vijay & Simran in Jr. Category and Nikita Singh Chauhan & Pooja Meena in Sr. Category.
- \* To inculcate reading habits amongst the young generation a book fair was organised by Scholastic India Ltd. for 3 days in the school.
- \* Student actively participated in various Interschool and Interhouse competition to show case their talents.

In fine arts to our students exhibited their talents.

**Under Art & Craft** 68 students participated in an interschool drawing contest by Culture Education Services and bagged 1<sup>st</sup> prize Under Different Categories winners were Zuhaib Hassan, Shubham Sharma & Muskan Baranwal. 2<sup>nd</sup> prize went to Sanyam Vijayvergia & Gamini received the 3<sup>rd</sup> prize.

\* Muskan Baranwal participated in the state level drawing competition by 94.3 My FM - Her painting got selected among the 12 paintings for the annual calendar of 94.3 My FM.

\* Our Students performed in a contest organised by camel Art on 20<sup>th</sup> August with the topic 'Life on Planet Earth and Forest' another competition was organised by Anuvrat on 10<sup>th</sup> August, the topic was 'Glimpse of great Indian Culture'. Vaibhav, Khushi Singhal and Vedik Jangid were the winner in Jr. Category and Sanyam, Arushi Sharma and Gamini Roy got the winning position in Sr. Category.

\* One can think of a healthy mind only in a healthy body - Walk-O-Run - Health & fun was organised on 19<sup>th</sup> Feb, 2017 by Heart wise Kota. Heart wise is an incorporated society which is dedicated to promote health awareness among the citizens and how small changes in day to day life can create big changes in improving upon the health; Sr. students & all the staff member of MIS participated in Marathon enthusiastically. Two teachers & around 15 students from

our school were awarded for completing their round in given time.

**In Sports** students gave excellent performance. To mention a few Krish Sen bagged Bronze Medal in West Zone Taekwondo Championship 2017 organised by CBSE held at Great Men International School.

- \* Our Football team was Runner up in the Kota Sahodaya Interschool Football Tournament.
- \* 5 Student Aman Pal, Abhimanyu, Arpit, Sanyam Vijay and Ajit Singh, represented the District Table Tennis Tournaments & in Hockey Nitesh Singh, Paramveer, Abid Hussain, Kapil Pratihari, Aman Sharma got selected for state level.

- \* Tushar Rathor represented state in Football. \* In Athletics held under the banner of Kota Sahodaya Ishan Ranjan bagged silver in discuss throw.
- \* Kanika Soni got a bronze.
- \* In long jump Priyanshu Meena got silver and in Shot Put Rani Meena bagged bronze.
- \* In Scouts & Guides - 70 students were a part of the 67<sup>th</sup> Annual Adhiveshan of Rajasthan Rajya Bharat Scouts & Guides of Kota. Students received appreciation certificate for participating in Dance, Band and Song.

A big laurel was brought to our school by a star performer Avtansh Sahu of Grade 3. He was felicitated by Miss Universe 2015 Urvashi Rautela as Mr. Jack of Kota in a Model Contest, as Mr. Cute by Balaji Telefilms Team Member, Mr. Attitude by Miraj Entertainment Delhi, Mr. Smart in 'Tandav Dance' Reality Show of Indore. To add on more he is the Poster Boy for 'Padega India - Badega India' by Delhi Police initiative in association with RC Productions New Delhi. He is also a brand ambassador for Mother Dairy. He has bagged 2<sup>nd</sup> Prize in fancy dress competition (among 250 cub & bulbul) in the 25<sup>th</sup> Mridul Smriti Club Bulbul Camp at Alania Kota.

**Co-curricular Activities at MIS** The need to foster the traditional Indian values and to generate awareness of cultural traditional and heritage of all festivals and important days are celebrated in the school. Patriotic events like Independence Day, Republic Day and Gandhi Jayanti are also celebrated to inculcate the patriotic feelings among children.

- \* This year Independence Day & Janmashthami was celebrated the same day. All drills and activities were based on the activities of Shri Krishan. The K.G. section performed an action dance "Phir Bhi Dil Hai Hindustani" on their occasion. Republic day show caused an exhibition depicting the Army, Navy & Air Force.

- \* Harvest festival Baisakhi was celebrated with Punjab culture and tradition. Primary students made booklets explaining the significance of the festival.
- \* Kitchen garden activity was organised for the small children by sowing seeds of tomato, brinjal, bitter gourd, lady finger, cucumber, spinach etc.
- \* Cooking activity for Primary section was organised in the campus in which children learnt how to make 'Squash' and biscuit chat.
- \* Earth Day was celebrated on 22<sup>nd</sup> April with the theme "Go Green, avoid plastic bag", 'Paper bag making' activity was done by students.
- \* In spic MacKay Programme, an Assamese Dancer Dr. Meer Nanda performed wonderfully and promoted Indian Classical music and culture amongst youth.
- \* Dussehra holidays was marked by a Sunder Kand held in the premises by our staff & students.
- \* Before Diwali holidays, Laxmi Pujan was organised in the school Temple for primary students.
- \* To promote Hindi Language amongst students, Hasya Natika and Dohavali was presented during morning assembly. Essay writing was organised for the seniors with the topic 'Vidyalaya Main Swachhta Abhiyan'. Pre-primary students recited the poem in an innovative manner.

- \* English Language was promoted with the same enthusiasm and vigour. KG students recited lovely rhymes with actions and props. Extempore was organised for the primary students and there was an essay and debate competition for the seniors. These competitions helped them to build their confidence. At the end prizes were given to the winners.

- \* Field trip to aa veterinary department of State was organised to develop compassion towards animals.

- \* Fun filled picnic was organised on Children's Day to Ganesh Udhyan.

**Social Awareness** To enhance moral & emotional values in students various social awareness programs are undertaken by the school.

- \* Annapurna Rasoi Workshop was conducted by JCI Kota on 17<sup>th</sup> July in presence of JCI president Ms. Garima Jain, JCI Kota Secretary Ms. Renu Maheshwari Ex-president Ms. Charu Bahediya & Dynamic member of JCI Kota Ms. Abhilasha Goyal. They interacted with the students and made them aware of the 'value of food and its respect'.
- \* Taking forward the cleanliness Mission of our Prime Minister 'Swachhta Pakhwara' was organised from 1<sup>st</sup> to 15 Sep, 2017. Its aim was spreading the Swachhta Awareness and to implement it across the country.

- \* Various activities were planned & Swacchta Shapath taken by all the students & teachers in the assembly.
- \* Talk show, drawing competition and essay writing competition conducted on the theme 'Importance of cleanliness'.
- \* Nukkad Natak based on Swachhta Awareness was presented in Assembly.
- \* MIS also takes initiative in offering social services and cultivating human values in the youth of future. The members of MIS Interact Club, on the theme 'Joy of giving' donated books and eatables to the children of 'Deaf and Dumb' school. Our children motivated them to attend the school regularly and explained the advantages of being educated.
- \* Donation of toys & old clothes to the needy is a regular feature of MIS.
- \* Eminent social workers are invited to the school to motivate the students. Mr. Hiralal Yadav a social worker, great poet & social cyclist awarded by our respected president Mr. Abdul Kalaam & CM of U.P. Mr. Akhilesh Yadav for his contribution towards society interacted with the students on "Go Green Initiatives". He spread awareness on the topics global warming, power of women and Female Foeticide.
- \* Career Counselling and orientation programs are

regularly held for students by various agencies to help students focus on different career options available. Orientation program for parents & students of Grade IX & X was also held to brief them with latest changes happening in CBSE like the "Remodelled Assessment Scheme Uniform System of Assessment".

**Workshop for teachers** Every teacher also needs to be guided and upgraded throughout her career that reflects to her behaviour directed towards her students and to the whole school. Keeping this in mind MIS conducts regular orientation programmes and class room management skills and sends the teachers to high profile institutions to abreast themselves of the latest changes.

- \* Ms. Iti Kapoor and Ms. Seema Paul attended a Capacity Building Workshop organised by CBSE at Lawrence and Mayo School regarding remodelled examination structure and Class X board examination patten.
- \* Ms. Pooja Singh & Ms. Vijeta Mahey attended Capacity Building Program conducted by CBSE on Effective Class room Management, teaching style, Class room order and Discipline.
- \* 'Scratch Programming for 21<sup>st</sup> Century skill Building' was attended by Ms. Shipla Bansal.

- \* Ms. Aparna Salphale & Ms. Latika Dhingra attended a workshop on 'English Language Teaching' conducted by Blue Print Education.
- \* 'Next Education' organised a workshop for pre-primary teachers with the theme 'Learning Environment that support children's growth and development' which was attended by Ms. Deepti Mehmi Ms. Sonia Singh, Ms. Nandita Shekhon and Ms. Ancy Paul.
- \* Teacher's Day is marked by appreciation & awards to teachers by various associations & school management. In the session 2017-18 the management of MIS awarded 3 teachers Mr. Ravindra Sahu for Administrative work, Mr. Mukhtar Khan for Co-curricular activities and Ms. Depti Mehmi for academics. They were felicitated with appreciated certificates along with the cash prize of Rs. 5000.
- \* Ms. Sonal Vatsya and Ms. Vinita Gehani were awarded by Sahodaya school Association.
- \* Dainik Bhasker awarded Ms. Iti Kapor and Ms. Seema Paul in this session & Ms. Suman Rajpal was honoured by Rotary Club.

The journey does not end here. Educational succes may never be achieved because boundaries of success are pushed every moment in the rapidly changing world. We have to march a long way to achieve vision of our great foundars. I invite you all to join hands with us in achieving the high targets. In this era of globalisation, the world of today offers various opportunities for success, let us not therefore be limited by grades, marks or traditional professions but let us make them master of themselves. They will then win the world.

"Progress lies not in enhancing  
What is  
But in  
Advancing towards what will be."

Thank you

**Pratima Oberai**  
Academic Head, HOD English

## Small Steps Lead to Success

**M**any of us believe that "small" means "insignificant". We believe that small action and choices do not have much impact on our lives, we think that it is only the big things, the big action and big decisions that really count. But when you look at the lives of all great people, you will see that they built their character through small decisions, small choice and small actions that they performed every day. They nurture and nourished their good habits and chipped away at their bad habits, one step at a time.

Growth always occurs through a sequential series of stages. When we look up children growing up, we can see this process at work: the child first learns to crawl, then to stand and walk and finally to run. The same is true in the natural world. The soil must first be tilled, and then the seed must be sowed. The next step is to nurture it with enough water and sunlight, and only then it will grow, bear fruit and finally ripen and be ready to eat.

This is a common factor in the lives of all great people: they exercised their freedoms and choices in small ways that made great impact on their lives and their environment. Each of their small decisions and actions added up to have a profound impact in the long run.

It is rightly said:

**Focus on small Steps first**

**Then shift to the larger goal**

**Fazlur Rehman**  
Administrative Head, HOD Maths

## Positive Attitude

**B**uddha Said, "We are what we think". In today's fast paced lives where one is constantly subject to competition and even failure, it is imperative to have a positive attitude in life to be able to cope with everyday challenges.

Having a positive attitude is not only desirable but is also required for happiness, health and success. It brings optimism and makes it easy to avoid worries and negative thinking. If positive attitude is adopted as a way of life, it brings constructive changes in our lives. Positive attitude gives us a sense of hope which brings along a new energy to do things and accomplish goals with constructive and creative thinking. Positive thinking also gives us strength to not to give up and inspires us to encounter obstacles and chase our dreams, despite defeat, to be ultimately successful. Positive attitude increases our faith in our own ability and brings hope for a brighter future and thus increases our happiness and confidence. A positive attitude results in a healthy mind and body. What we eat is connected to what we think. Therefore positive thinking not only leads to a healthy mind but also leads to a balanced begins in our minds. Our mind is a garden where we need to sow seeds of positivity and optimism to allow us to live a more meaningful and fruitful life.

# Stimulus

**Iti Kapoor**  
Sr. Co-ordinator, HOD

**You Shall Not Be a Slave of Circumstances**

People of great courage and high valour never succumb to circumstances. The one who has firm will power, strong self confidence and steely determination never bows / bends before inhospitable situations. Napoleon declared that the word 'IMPOSSIBLE' was to be found in the dictionary of fools. Mahatma Gandhi faced the mighty British Empire boldly and forced to grant independence to India. Nobody could ever imagine that such a vast empire could be compelled to grant independence to India. It is the weak who allows themselves to be a slave to circumstances. This world is not meant of for the coward or for those who acknowledge defeat at the slightest difficulty. We all are aware of that the present advancement in all fields of life including science and technology is the result of the efforts of those who conquered circumstances. And gave the precious gifts of civilization to posterity. It is our relation to circumstances that determines their influence over us. The same wind that carries one vessel into port may blow another offshore. Man can only make progress in life only when he struggles with unfavourable wind & weather. Mount Everest could not have been scaled if the courageous mountaineers like Tensing & Hillary had waited for the weather to be favourable. They worked hard to make the weather conditions sent them & become the conquerors of the highest peak of the world. If we surrender to the fear born of uncertainty of circumstances, we would not be worthy of divine hood with which man has been blessed. To conclude, "Man is not the creature of circumstances; circumstances are the creatures of man."

**Sangeeta Bhadouria**  
Co-ordinator-Senior Secondary

**Self-Appraisal will bring you success in life**

Self appraisal, self-examination, self-analysis or what psychologists call self-introspection are the facets of the same device to evaluate oneself. We assess and evaluate others on different parameters and indicators and pass judgement on them, but we forget to do the same exercise with ourselves, with the result that we miss what we ought not to miss, the basic truths about ourselves and the world. We blame others for the slightest aberrations own faults. When we start doing the exercise of self appraisal or self examination in a sincere and faithful manners, we find that we are grossly suffering from so many aberrations when this truth dawns on us, we become an enlightened soul. It enables ourselves to expand our mental, intellectual and spiritual horizon and begin to identify ourselves with our fellow beings and discover the same divine fire in all human beings, that sustains the creation. An attitude of generosity, love, compassion and tolerance is required to successfully undertake this exercise. Blessed with these attributes, one finds that there is no basic difference between one human being and the other and the whole world begins to appear to us as a single whole. It is the greatest spiritual achievement which really brings light, enlightenment goal also worldly success which all of us hanker after. This is a difficult exercise indeed but is worth trying for. Try to do it and you will find that you are spiritually uplifted, the degree of success depending upon the measure of the effort put in it is rightly said that self-appraisal and self-examination bring success and light to us, which we always crave for and struggle for.

**Seema Paul**  
Primary Co-ordinator, TGT Maths

**Creative ways of learning**

"Happiness leads to good health.  
It is only you who can give this medicine to yourself."

Optimism is the faith that leads to achievement with the new day comes new thoughts. Optimism infuses the feeling of readiness to face any challenge of life as we are always imbued with positive thinking. Students in today's society, time you face a lot of competition and pressure, when you get fed up for not completing your work, but dear students only way by which you can overcome this fear is by being "Optimistic".

For an eg. If Albert Einstein would have given up hope he wouldn't have become a scientific revolution. Be happy, don't fear from books, don't be afraid, pray and work hard, work is the key to success.

Optimistic person always win and are ready to face all the fears of one's life.

Life is 10% what happens to you and 90% how you react to it. Failure will never overtake me if my determination to succeed is strong enough.

"Focus on solution, not on problems."

Another example is of Helen Keller, turning deaf and dumb never stopped her from learning, she was an all rounder in French, Spanish. She wrote about her own biography - "The story of my life."

In the end, I would just like to say, "You will never have this day again so make it count".

With the best wishes

# *Investiture Ceremony*

## Kohinoors of **MIS**

I feel  
short of words to  
express my emotions, my  
gratitude for the opportunity I have  
received to be the kohinoor of the school. I extend  
my sincere thanks to my Principal and teachers who  
inculcated such capabilities in me that I felt confident  
to be able to discharge my duties and responsibilities  
as the kohinoor of MIS. Also I very specially thank all  
the students who trusted me and have put their faith  
in me. A team is like a tool set, not one tool can do all  
the jobs, but together it can, so let's join our hands  
together to work with team spirit in the day to day  
functioning of our school and the students.

Let's take our school to the greater  
heights of success.

**ISHAAN RANJAN**

It  
was  
indeed a great honour  
& prestige to be the Sr. Kohinoor  
of such an astounding & esteemed  
institution MIS. As it is correctly said "These are no  
elevators to success. You have to take the stairs" and those  
stairs were paved to me by the teachings of the incredible  
teachers and by the most amazing person of the school,  
respected Principal Ma'am. It was a splendid year which filled  
me with lots of experience. Student's cooperation of trust  
flushed me with confidence. I hope forthcoming leaders  
receive same cooperation from you all. The school's  
ambience, teaching & most important of all the  
opportunities it gave to students for their overall  
development was remarkable.

In nutshell, it was a year well spent! & wish mitallites all the  
luck for their future & hope you all have a successful  
& prosperous future ahead.

Thanking You

**PRAKRATI JAIN**

# *Learning New Things*

# HOUSES

## Florentine RED

Red is the colour of extremes, fire, blood, so we associated us with energy, strength, power, determination, passion and love. The students of Florentine red have shown their potential by proving victories in various fields – like first prizes in (i) Brics Summit Event (ii) English Debate (iii) Nukkad Natak held on 26th January (iv) Won Prizes in Sports Day (v) Quiz competition etc.

## Dresden GREEN

Green colour symbolizes prosperity and well being. It is considered the colour of nature and life. Co-curricular activities are an integral part of developing the skills and talent of our children. They form the core of students' life. It develops the all round personality of the student to face the undaunted task. The students of Dresden Green House have shown their potential and creativity by proving victorious.

**"Doing the best at this moment puts you in the best place for the next moment".**

## GOLDEN Pelican

Colour yellow is full of creative and intellectual energy. These is in yellow colour which symbolises happiness and lone. All the positive full flowing energy of yellow colour was flowing in each and every house student and moulding their dormant talent. With healthy competitive attitude the primary golden pelican student won the first Prize for the Ram Leela Competition. They also proved their sports mantle by winning many sports trophies with good co-ordination among house teachers and house students.

## BLUE Maharaja

The blue colour of the sky is Perceived as a source of inspriation in our lives. Success is not final. failure is not fatal, It is the courage to continue that distinguishes Blue Maharaja from others. Our students have thus proved their caliber in quiz, sports and other cultural activities.

# KG BUZZ

## Little Busy Bees!

MIS considers both academics and co-curricular activities to be equally important for the overall development of the personality of kids. This truly reflect in the functioning of pre-primary using of our school. Round the year activities helped tiny tots to learn a multitude of things. Teacher incharges of the KG are or on their toes with myriad activities

## ***RFID SYSTEM***

Children are the most precious assets of our society and their safety is utmost important. In today's world when urban environment is not very safe for children, it becomes crucial to track them while they are away from home or even going to school. It's a boom for Parents if they can get the confirmation that their child has reached the school safely.

Mittal International School values the concerns of parents and feels equal responsibility towards making a safe environment for children when they come to the school. In this digital era of technology and walking on the footprints of our honorable Prime Minister Shri Narendra Modi's Digital India initiative, Mittal International School feels proud to bring the cutting edge technology of RFID Based Student's Safety system that gives information to parents about their child's reaching or leaving from the school.

### **Hi-Tech ID Card -**

Mittal International School has been providing most of the information to parents ONLINE like their Homework and other informations. Even now information about Student's IN and OUT from the school is being provided to parents through auto generated SMS on their mobile. This brings a sigh of relief to parents. Parents get to know when their Child reaches the school and when he/she leaves the school. This has been made possible with Chip enabled RFID Cards which has been attached to Student's ID Cards.

When Student enters the school, the sensor put at the entrance of the school's building detects the RFID Card of the student and immediately parents receive the SMS "Daddy/Mummy, I am in school now" with student's name, Date, Time, School's name. Similarly when student leaves the school in afternoon, another auto generated SMS is sent by the sensor "Daddy/Mummy, I have left the school" with student's name, Date, Time, School's name.

Abacus is an ancient counting frame used for calculation of addition and subtraction. It can even do complex sums. It develops the child's brain and makes it active with time. Abacus helps in building a strong arithmetical base by using innovative method. It helps the students in their academic field. They play with numbers by just manipulating i.e putting the beads up and down. It makes the mathematic operations like addition, division, multiplication and subtraction very easy. Decimals, exponents and square roots also become simple to calculate with abacus.

MIS in collaboration with Trendz Abacus and has started Abacus classes from grade 2 to grade 6.

Students have shown great enthusiasm and zeal in learning Abacus.

Trainers  
Neetu Dadhich & Ancy Paul

## Importance of Sports in School

The importance of sports & games in school encompasses more than just the benefit of physical activity. Increases in self-esteem and mental alertness. Games & sports are an integral part of a student's life. A student should study hard to be successful in competitive examinations. But, he should also play games & sports to enjoy the health and vigor of life. We have all heard the old saying "All work & no play makes Jack a dull boy". The importance of sports for children has become even more relevant in our current scenario, and schools have a prominent part to "Play" in it. The benefit of playing sports are multiple and it leads to balanced mental & physical growth. It teaches the children life skills like teamwork, leadership, patience. It inculcates discipline and playing within the rules. Builds sportsmanship which is to play within the spirit of the game and to deal with both winning & losing with grace. All of these experiences and habits are also useful in our life. Playing & excelling in sports also teaches kids the importance of hard work, perseverance, learning from failure, and importance of grasping opportunities.

**क**ला का महत्व सिर्फ कलाकार के लिए ही नहीं है। अपितु आज की भाग-दौड़ भरी जिन्दगी में सबके लिए महत्वपूर्ण हैं। जहाँ आज युवा पीढ़ी, बच्चे, बुजुर्ग सब अपने आप में व्यस्त है। मानसिक शान्ति के लिए अजीबो-गरीब तरीकों को अपना रहे हैं। वही शान्ति कला के द्वारा भी प्राप्त की जा सकती हैं। फिर चाहें वो ललित कला, चित्रकला, संगीतकला हों या मूर्तिकला, काव्यकला हों।

हम इन कलाओं का उपयोग करके मानसिक शान्ति के साथ-साथ अपनी प्रतिभा को भी निखार सकते हैं।

हर मानव में कोई न कोई प्रतिभा होती है। अपनी प्रतिभा को अभ्यास के द्वारा सफलता की ओर ले जा सकते हैं।

*"Dance is the hidden language  
of the soul"*

Mrs. Anjana Sharma  
Dance Teacher

Dancing allows people to express how they feel at a given moment. People come together through dance since it is a medium of expressing and sharing joy, happiness, serious pain and many other feelings. It does not only connects people but is also efficient in relaxing their body & mind as the music & surrounding take people away from their anxiety & frustration for a while.

'A healthy and fit life is worth living'. Dancing is a great form of aerobic exercise. Since it works many muscles in the body. Muscles become stretched, conditioned or toned while the heart rate increases, pumping blood at a faster rate. A great benefit of exercise is that afterward, there is often an improvement in a person's disposition, so it's a win-win situation all the way around.

Dance compliments people with different tastes emotions, needs & backgrounds because there is so much variety. As a result dancing has not only become a universal art form, but a universal language. That's why it's said.

"When you dance your purpose is not to get to a certain place on the floor. It's to enjoy each step along the way."

## संगीत का महत्व

1. सामान्य परिचय :- संगीत की उत्पत्ति के विषय में जितना भी विद्वानों ने कहा है, उससे यही साबित होता है कि जब कुछ भी ना था, तब संगीत तथा और तब से आज तक संगीत है। इस जहाँ में कुछ रहे या ना रहे, संगीत हमेशा रहा था, रहा है और रहेगा। सागर की लहरों, नदियों की धारा, झरने की कलकल, पहाड़ पर्वत, वनों या हम कहे धरती, आकाश-पाताल अर्थात् इस ब्रह्माण्ड के कण-कण में संगीत है।

2. संगीत क्या है? :- सामान्य शब्दों में गायन, वादन और नृत्य इन तीनों कलाओं के समावेश को संगीत कहते हैं।

3. संगीत एक साधना है :- संगीत की देवी 'माँ सरस्वती' को माना जाता है। संगीत में सात स्वर होते हैं-सा, रे, ग, म, प, ध, नी। संगीत की प्राप्ति के लिए व्यक्ति को शुरुआत में विधिवत तरीके से इसका अभ्यास करना होता है। कहा जाता है कि जितना प्रभाव संगीत में है उतना किसी तंत्र-मंत्र विद्या आदि में नहीं है। इसीलिए अच्छा संगीतज्ञ बनने के लिए साधक को गुरु शरण में रहकर संगीत साधना करनी होती है तभी वह संगीत के क्षेत्र में चमत्कारिक सिद्धि प्राप्त कर सकता है।

4. संगीत का प्रभाव तथा महत्व :- संगीत शास्त्र में शुद्ध, कोमल एवं तीव्र तीन प्रकार के स्वर बताए गए हैं। इन्हीं स्वरों के विशेष स्वर संगति से रागों की उत्पत्ति होती है।

शास्त्रीय संगीत में विभिन्न प्रकार के राग हैं। इन रागों में वो चमत्कार है, अगर इन्हें सही तरीके से साधा जाए तो इनका फल प्राप्त किया जा सकता है। जैसे-राग जयजयवन्ती से अंग विकार वाले रोगी को लाभ होता है तथा राग केदार से मानसिक रोगी ठीक होते हैं इसी प्रकार विभिन्न पादपों, फसलों आदि को मधुर संगीत सुनाया जाए तो इनके विकास में आश्चर्यजनक वृद्धि होती है। वहीं दूसरी ओर शोर-शराबा एवं घटिया आवाज, कड़वी आवाजें इन्हें क्षति पहुँचाती हैं।

संगीत शास्त्र में जितना संगीत के विषय में बताया गया है उतना ही काफी नहीं इसका विषय क्षेत्र इतना व्यापक है कि कोई भी इसकी पूर्ण अभिव्यक्ति नहीं कर सकता। संगीत सम्राट तानसेन जी का नाम किसने नहीं सुना, कहा जाता है कि शाही दरबार में राग वीपक सुनाकर उन्होंने माहौल को अग्निमय बना दिया था। तब उनकी पुत्री ने राग मेघ मलहार गाकर तापमान को ठण्डा किया था।

निष्कर्ष :- अन्त में यही कहा जा सकता है कि संगीत एक ऐसा अथाह सागर है जिसकी कोई सीमा नहीं अर्थात् इसमें जितना अन्दर जाएंगे गहराई बढ़ती नजर आएगी। संगीत के विषय में एक रचनाकार कहते हैं-

प्यार नहीं है स्वर से जिसको,  
वे मूर्ख इन्सान नहीं।  
जग में अगर संगीत ना होता,  
कोई किसी का मीत न होता।।  
ये एहसान है सात सुरों का,  
कि दुनियाँ वीरान नहीं। प्यार

संगीत इन्सान को इन्सान से,  
प्रकृति से तथा संसार की हर  
वस्तु पदार्थ से जोड़े है। इसके  
बिना कुछ भी नहीं है। सब इसी  
से ही है।

## Life Without Computer

**Firoz Khan**  
PGT  
Computer Science

**Shilpa Bansal**  
TGT  
Computer Science

I've been feeling dead miserable since  
you broke; Life without you.....well,  
It's certainly no joke. Letters and projects,  
I can no longer type, And I can't chat to  
friends, as I can no longer Skype.

I can no longer leisurely  
browse the news, Or, on online forums,  
share my personal views.  
I can't watch my fave movies on  
DVD, Or, On iTunes, listen to music or  
burn a CD.

I can't check Facebook or check  
Twitter- If the truth be known,  
I'm feeling quite bitter. My email  
account, I can no longer check,  
Since you became an unresponsive  
wreck.

I can't book a ticket for a show, Or research  
information which I want to know. I can't book  
a room at a hotel, And, my stuff on Ebay, I can't sell.

You Tube Videos, I can no longer view,  
And, online subscriptions, I now can't renew.  
I can't catch-upon TV which I've missed....  
Oh, I think that pretty  
much completes my list.

We've had so much fun  
these past few years,  
But now it has all ended in tears.  
You were my friend;  
my right-hand man.  
I had always been your biggest fan.

Yes, obviously, I do own a mobile,  
But it's pretty ancient - really old  
style. From it, I can phone or  
send a text, But it has no  
functions for things more complex.

To make you better, I really did try,  
But to 'computer heaven', you must now fly.  
Your successor will hopefully soon be here,  
And refill my heart with some much-needed cheer.

# *Journey of the Library*

When was the first library invented ?

Some of the earliest such institutions were founded in late 17<sup>th</sup> Century England, such as Chetham's Library in 1653, innerpeffray Library in 1680 and Thomas Plume's Library in 1704. In the American colonies, the library company of Philadelphia was started in 1731 by Benjamin Franklin in Philadelphia"

What is the origin of the Library ?

The word derives from the Latin Liber, "book". Whereas a Latinized Greek word, bibliothea, is the origin of the word for library in German, Russian, and the Romance languages.

When was the first library built in the world ?

The library of Alexandria, in Egypt was the largest and most significant great library of the ancient world. It flourished under the patronage of the Ptolemaic dynasty and functioned as a major center of scholarship from it's construction in the 3<sup>rd</sup> century BC until the Roman conquest of Egypt in 30 BC.

Smt. Tarannum Rahman  
Librarian

## Scribbler's Column's

### A Psalm of Life

Tell me not, in nounfull numbers,  
Life is but an empty dream!  
For the soul is dead that slumbers  
And things are not what they seen.

Life is real! Life is earnest!  
And the grave is not its goal;  
Dust how are, to dust returnest

Not enjoyment, and not sorrow,  
Is our destined end or way;  
But to act, that each to-morrow  
Find us farther than to-day

Are is long and time is fleeting,  
And our hearts, thought show and brave,  
Skill, like muffled drums, are beating  
funeral marches to the grave.

In the world's broad field of battle,  
In the bivouac of life,  
Be not like dumb, driven cattle!  
Be a hero in the strife!

Trust no future, howe'er pleasant!  
Let the dead past bury its dead!  
Act-act in the living present!  
Heart within, and God o'erhead!

Live of great men all remind us  
we can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time;

Footprints, that perhaps another,  
Sailing o'er life's solemn main,  
A forlorn and shipwrecked brother,  
Seeing, shall take heart again.

Let us, then, be up and doing,  
With a heart for any fate,  
Still achieving, skill pursuing,  
Learn to labor and to wait.

Piyush Bhatia  
Class-X B

## MS DHONI A Legend

Here is our Indian, hero, Ms Dhoni,  
an ideal role model to many.  
Whenever Dhoni is batting at the crease,  
viewers say, "Do not disturb me please"!

He regards seven as his lucky number,  
and he is as cool as a cucumber

Every time he comes onto the field, he prays to the sun,  
and later return to the pavilion with an emphatic win.

He books calm and composed in any kind of situation,  
and turns the team into a mood of celebration.

He is a real - hard hitter of the cricket ball,  
and the target set by the opposition seems to be small.

He is very sharp behind the stumps,  
and extremely quick between the tickets.

He is a perfect modern day game changer,  
and the opposition can sense that they are in danger!

He absolutely loves executing "Helicopter shot",  
and no other player can match his talent, In short

He tries to bring the best out of every player,  
And always looks at things in a positive manner.

He has been listed among the top 100 by "The times",  
and hope he achieves many more in his future game.

Kaustubh Ranjan

Class-3A

## The Secret of Living

Make each day, magnificent adventure Accept the challenges, that come your way size the opportunities, that you find, without concern what other might say. Accomplish all that you all set out to do. Instead of putting things off for tomorrow pressure your goal, until you see it through experience each day, with open arms savoring both, victory and strife welcoming the, good will you know the secret of living

Sanyam Vijay  
Class-XB

## I Love You Dad

Your arms are my shelter  
Assuring me that it will be better  
Your hand is my comfort  
lifting me up when I fall short.  
Your voice makes me strong  
teaching me what's right and wrong  
your smile says it all  
father, I love you more than all  
won't take a miss to great you today  
for the rest of my days I'll honor  
you dad I promise to keep you  
proud and glad.

By Ramanjeet  
I Love U PAPA....

## What you are to me

You turned my darkness into light;  
You made everything all right  
you picked me up when I was down;  
you turned my life around  
if I didn't have you, what would I be ?  
A blessing is what you are to me.  
When I needed you the most,  
you were there;  
Even if it seemed like you didn't care  
when I didn't think  
I could make it another day,  
You chased all my doubts away,  
if I didn't have you, what would I be ?  
A treasure is what you are to me,  
Lost and alone, I will no longer be  
because you are here with me.  
There is no reason to be sad  
You've taken away all the bad.  
if I didn't have you, What would I be ?  
A best friend is what you are to me!!

## The Talking Cave

Once upon a time a lion lived in a jungle. He used to hunt smaller animals for his food. One day the lion hunted everywhere but found no animal to kill and eat. He was very hungry. At sunset he reached a cave. He went inside. Some animal will. Surely come to spend the night in this cave. When he does, I will eat him up he said to himself. After a while a jackal came along the cave was his home. He came there every night to sleep. As he was about to enter the cave he saw some foot prints. So he stopped outside and called out. Good evening to you. No one answered him. It was quit. The lion heard the jackal but did not make a sound

get success

**Abdul Kalam**  
**Mohd. Rehan Khan**

### Tension

The moment you are in tension  
You will lose your attention  
You will be in total confusion  
And you will feel irritation  
Then you will face complication  
Your BP may also rise  
And you have to take medication.  
Instead of this, understand the situation.  
And try to think about a solution  
Many problems can be solved by discussion.  
Don't think that it is free suggestion  
It will work out for any profession  
So if you understand my intension  
You will never come again in tension.  
Kill tension before tension fills you.

**Dushyant Nagar**

## मेरी स्कूल मैगजीन

कितनी प्यारी प्यारी है।  
दिखने में तो लगती सुन्दर  
पढ़ने में भी न्यारी है।  
लेख कहानी कविता आदि  
बहनों भाइयों ने छपवाई है।  
कहीं आखों से आँसू आए  
कहीं हंसी भी आई है।  
हम सब मिलकर इसको देखें  
औरों को भी दिखलाएँ।  
अच्छी अच्छी बातें ग्रहण कर  
जीवन सफल बनाएँ।

प्रेरणा मीणा  
कक्षा- प्रथम 'ए'

## भूल गए हो

हर बात पर हँसने का हुनर भूल गए हो,  
लगता है मुश्किलों का सफर भूल गए हो,  
आसमाँ निहारते हो क्यों बेबस निगाहों से,  
परिदे हो तुम पर पंखों की ताकत भूल गए हो।  
गैरों की गलियों में गुजारी जिंदगी जिसने,  
मत पूछ लेना उससे क्यों घर भूल गए हो।  
जुबां नहीं मिलती तो कभी नहीं मिलता,  
शायद मिलना, तुम ही नजर भूल गए हो।  
अब तब सँभालता है वो आगे भी सम्हालेगा,  
तुम निःशब्द इबादत का असर भूल गए हो।

कितना सुंदर है स्कूल  
इसमें रंग-विरंगें फूल  
फूल सुहाने सबको भाते  
उन्हे देखकर सब ललचाते  
टीचर हमको पाठ पढ़ाती  
नयी-नयी बातें सिखलाती  
फूलों से गिनती करवाती  
टॉफी देकर हमें खिलाती।

नाम-काशवी पूनिया

मैं टीचर बन जाऊँ  
पाठशाला की मैं एक टीचर,  
बच्चों की मैं प्यारी टीचर।  
कक्षा में इतने सारे बच्चे,  
भले, न्यारे, प्यारे, बच्चे।

कही किताबें कहीं हैं कक्षा,  
सबसे प्यारी है ये शिक्षा।  
जल्दी से कक्षा में जाऊँ,  
सपनों से वापस में आऊँ।

इलिशा विजय  
कक्षा-प्रथम 'अ'

माँ  
घुटनों से रेंगते-रेंगते,  
कब पैरों पर खड़ा हुआ।  
तेरी ममता की छाँव में,  
जाने कब बड़ा हुआ।  
काला टीका दूध मलाई,  
आज भी सब कुछ वैसा है।  
मैं ही मैं हूँ हर जगह,  
प्यार ये तेरा कैसा है ?  
सीधा-साधा, भोला-भाला,  
मैं ही सबसे अच्छा हूँ।  
कितना भी हो जाऊँ बड़ा,  
'माँ!' मैं आज तेरा बच्चा हूँ।

जो क्लास में बने मॉनीटर,  
कोरी शान दिखाते है।

आता जाता कुछ भी नहीं,  
पर हम पर रोब जमाते है।

जब क्लास में टीचर नहीं,  
तो खुद टीचर बन जाते है।

कॉपी पेंसिल लेकर,  
बस नाम लिखने लग जाते।

खुद तो हमेशा बातें करें,  
हमें चुप करवाते हैं।

अपनी तो बस गलती माफ,  
हमें बलि चढ़ाते हैं

क्लास तो संभाल पाते नहीं,  
बस लिखते और चिल्लाते है

भगवान बचाए इन मॉनीटर से  
इन्हे हम नहीं चाहते है।

धन्यवाद!

वैभव विजय  
कक्षा- नवी 'ए'

बेटी

बेटी बनकर आई हूँ,  
माँ बाप के जीवन में  
बसेरा होगा कल मेरा किसी और के आँगन में,  
क्यूँ। ये रीत खुदा ने बनाई होगी।  
कहते है। आज नहीं तो कल तू पराई होगी।

देकर जन्म और पाल-पोसकर  
जिसने हमको बड़ा किया।  
और वक्त आया तो उन्हीं हाथों ने हमको विदा किया।  
टूट कर बिखर जाती हैं वो हमारी जिन्दगी वहीं।

पर फिर भी उस बंधन में  
प्यार मिले जरूरी तो नहीं  
क्यूँ रिश्ता हमारा इतना अजीब होता है।  
क्या बस यही हम बेटियों का नसीब होता है

रोहित कुमार  
कक्षा- दसवीं 'अ'

चुटकुले

(1)

टीचर- तुम ऊँगलियों पर क्या लिख रहे हो ?

राम- इतिहास के सभी प्रमुख दिन एवं तारीख

टीचर- क्यों ?

राम- क्योंकि सर आप ने ही तो कहा था कि इतिहास के सभी प्रमुख दिन एवं तारीख उँगलियों पर होने चाहिए।

(2)

राम ने श्याम से बोला यार तुम्हारे चेहरे का रंग इतना काला क्यों है

श्याम ने जवाब दिया-यार जब मैं पैदा हुआ था उस समय बिजली नहीं थी।

(3)

टीचर- बंदर पेड़ पर कैसे चढ़ जाता है ?

छात्र- सर नहीं मालूम पर इतना मालूम है कि इस सवाल का उत्तर कौन जानता है ?

टीचर- कौन ?

छात्र- बंदर।

नाम-अक्षित

कक्षा-पाचवीं 'बी'

### My India My Pride

India is one of the oldest civilizations in the world, spanning a period of more than 4000 years, and witnessing the fusion of several customs and traditions, which are reflective of the rich culture and heritage of the country.

The history of the nation gives a glimpse into the magnanimity of its evolution from a country reeling under colonialism, to one of the leading economies in the global scenario within a span of fifty years. More than anything, the nationalistic fervour of the people is the contributing force behind the culmination of such a development. This transformation of the nation instills a sense of national pride in the heart of every Indian within the country and abroad, and this section is a modest attempt at keeping its flame alive.

Himadri Soni  
Class-6th A

### Be a Leader not Because.....

The boss drives his men.  
The leader inspires them  
The boss depends on authority.  
The leader depends on good will.

The boss says "I"  
The leader says "We"  
The boss says "that is wrong"  
The leader shows what is wrong

The boss scolds them.  
The leader uses them.  
The boss demands respect  
The leader commands respect  
So, please be a leader not a boss

Vaihav Chaturvedi  
Grade-6th A

वृक्षों को हम मित्र बनाएँ  
वृक्षों को हम मित्र बनाएँ  
धरती को हम स्वर्ग बनाएँ  
प्रदूषण पर रोक लगाएँ।  
जंगल को हम रखें सुरक्षित।  
तभी होगा मानव सुरक्षित।  
धरती का श्रृंगार करें हम  
वृक्षों पर उपकार करें हम।  
मानव को संकट से बचाएँ  
वृक्षों को हम मित्र बनाएँ।

## AN IDEAL STUDENT

Student life is the best part of one's life. It is the time which then spends in school. We can call it the seed time off lief what they sow during this period, they reap in later life. The foundation of their future life is land this time. It is therefore, necessary that they make this foundation very firm. They should cultivate good habits to make themselves ideal citizens when they grow.

There are ways to make oneself an ideal student. An ideal student is one who know his/her duties and responsibilities. He/She knows the values of good habits. One knows the clear understanding of hard work which is necessary for success in life. An ideal student gets up early in the morning. He/She knows that health is wealth. ideal student obeys his / her parents, teachers and all elderly person and always follows the right path.

An ideal student always keeps good company. One who always keep the class neat and clean. He/ She always in proper, neat and tidy uniform. One who is always punctual, polite and truth full. One who is friendly, cheerful and jolly. He/ She participate in all the activities of the school.

All these qualities make a student an ideal student.

By- Arvind Kanjilal

## Wide Spectrum of Social Science

For many people the word "Social Science" may conjure up images of social workers or teacher. This is a gross misunderstanding of the range of roles within this discipline, as well as the impact it has on the wider world.

Social science covers a wide spectrum of subjects including economics, political science, sociology, history, archaeology anthropology and law. Infact social science provides insight into how science and innovation work and is thus referred as "The Science of Science".

Once upon a time it was enough to teach social science students the dates of facts to pass. But today students are inundated with pedagogy in which exposure to factual information is the paramount means to success. Students regurgitate facts as a means to demonstrate understanding. Besides this social science educators. Take on an added responsibility of teaching students to be good citizens, critical thinkers and informed adults.

Thus it is evident that the "Wide spectrum" of social science has made it immensely important for societies around the world.

Shalu Bhagwani  
TGT(Social Science)

# CREATING MOTIVATION

## FUTURE OPPORTUNITIES IN SCIENCE & TECHNOLOGY

There are many brilliant ideas for future. Humans have developed a map of future where we can live like heaven. Some of the future idea are:

**(1) Space Drones:** NASA has challenged designers to develop a conventional drone to work inside a space station, navigating with no up or down.

**(2) 760 MPH Trains:** Scientists are designing a train passengers travel at up to 760 MPH through a vacuum tube, propelled by compressed air and induction motors.

**(3) Coffee Power:** London's coffee industry creates over 200,000 tonnes of wastes every year so what do we do with it? Entrepreneur Arthur Kay's big idea is to use his company, bio-bean to turn 85 per cent of coffee waste into biofuels for heating building and powering transport.

**(4) Drown Forest Fires in Sound:** Forest fires could one day be dealt by drones that would direct loud noises at the trees below. Since sound is made up of pressure waves, it can be used to disrupt the air surrounding a fire essentially cutting off the supply of oxygen to the fuel.

**(5) Space Balloon:** If you want to take a trip to space,

your quickest bet might be to take a balloon. The company World View Enterprises wants to send tourists into the stratosphere (32 KM above Earth) on HotAir Balloons

**(6) Breathalyser Cars:** The U.S. Nation Highway Traffic Safety Administration has developed devices that can monitor Alcohol levels by sniffing a driver's breath or scanning the blood in their fingertips via the steering wheel, immobilizing the car if levels are too high.

**(7) Personalities For Robots:** Google has obtained a patent on robot personalities reminiscent of the Genuine People Personalities of robots in the Hitchhikers guide to the galaxy owner could have personality automatically chosen to match their needs or select one character from any Fiction or Fantasy or a loved one.

**(8) Human-Head Transplant:** Sergio Canavero, a neurosurgeon attempted a human head transplant was possible but hope came in mind of Canavero. He explained that a human head transplant can be improved by a social blade and a polythene glycol.

**(9) Floating Farms:** Some scientists are developing floating farms. Due to the increasing population and urbanisation farms cannot fulfil the increase demands of food by people. So Floating Farms can fulfil the demands of people as a single Floating Farm of 250\*300M can produce 8.1 tones of vegetables and 1.7 tones of fish per year.

**Conclusion:** Intrinsic ecological values need to be recognized, including the greater community of life with which we share the planet and the need to maintain the evolutionary potential of life itself. It is never too late to interest children in science and once enthused, they will become a new generation with a crucially enhanced understanding of science.

## CREATING MOTIVATION

### Nutrition And Diet For Teenagers (1)

Nowadays malnutrition is very common in children specially teenagers-mainourishment is man-a-times misunderstood as under nourishment. Children from round family background, having good diets can also be mainourished as the proper amount of nutrients may be lacking in the food intake-The growing fast food culture satisfies the hunger but fails to compensate the nutrients needed for the body growth. More over harmful preservatives and chemicals added to it have an adverse effect on the health of the children.

Teenagers need special diets with extra nutrients in the growing age. The diet should be high in carbohydrates, proteins, vitamins and micro nutrients and moderate in fats. This will help in proper physical growth, mental alertness, increased concentration and thinking ability, and a well developed immune system. It is well said that 'A healthy mind dwells in a healthy body'

#### Sample diet plan for a teenager

Breakfast (7:00 am.): Omlot bread / Dalia / Parantha, Milk-1 Glass

Midday meal (tiffin 10:30 am.): Roti Sabji / Idli / Sandwich/ Poha/ Upma/ Dosa/ Staffed Parathas

(Avoid- Maggi, Acchar Parathas and Fast Food)

Lunch (2:00 pm.): Roties, Dal or Sprouts, Green Vegetables, Rice, Curd/ raitas, Salads.

Snack Time (5:00 pm.): Any Soup, Baked dishes, Samosas/ Puffs, Milk 1-cup / Shakes

Dinner (8:00 pm.): Roti, Vegetables, Khichadi or  
(Variety of roties can be served such as bajra, maize etc according to seasons)

Bedtime: 1 cup milk

## हक की रोटी

अणुव्रत कहानी लेखन प्रतियोगिता

छल, बल, कौशल, चातुरी-किसी भी प्रकार से रस्वापहरण ता परस्क्त्वापहरण चोरी है। मनुष्य का अधिकार उतने पर ही है जितना उसका 'स्व' है- अपना है। इस अधिकार को ही 'स्वत्व' कहते हैं और यही 'हक' कहा जाता है। जो हक की चीज लेता है, उसका व्यवहार करता है, खाता है वह ईमानदार है। दूसरे के हक की चीज लेने वाला 'चोर' है इस पर आधारित एक कहानी इस प्रकार है-

एक राजा थे। बड़े सच्चे ईमानदार माने जाते थे। और अपनी जान में वे ईमानदारी ही बरतते थे वे प्रायः संत महात्माओं से यही पूछा करते थे कि सच्ची ईमानदारी क्या है? एक दिन एक महात्मा से पूछने पर उन्होंने कहा कि 'अपने हक की चीज लेना ही ईमानदारी है, बिना हक की चीज लेना ही चोरी है। राजा ने महात्मा से अपनी बात समझाकर कहने की प्रार्थना की। तब महात्मा ने कहा-इसी नगर की गली सीकरी में रहने वाली एक गरीब बुढ़िया माई रहती है तुम उसकी कुटिया पर जाकर उससे हक की रोटी मांगना, ध्यान रहे रोटी मांगने रात में ही जाना, क्योंकि वह दिन में हक की कमाई करके ही रोटी बनाती है। वह बुढ़िया 'हक' क्या है- इस जानती है, वही तुमको उदाहरण सहित 'हक' को बताएगी।

राजा रात के समय उस बुढ़िया के पास पहुँचे और बोले-माँजी। मुझे हक की रोटी चाहिए। सुना है आपके पास हक की रोटी है। अतः मुझे आप रोटी दीजिए। राजा की बात सुनकर बुढ़िया माई ने कहा-सच है मैं हक की रोटी ही बनाती खाती हूँ। जो हक की रोटी खाता है उसकी बुद्धि होती है, हृदय पवित्र तथा उसके विचार भी शुद्ध होते हैं जिससे उसका तथा संसार का कल्याण होता है। बिना हक की रोटी तो चोरी की रोटी होती है। उससे बुद्धि बिगड़ती है और मनुष्य का पतन होता है। पर बेटा। आज मेरी रोटी पूरी हक की नहीं है। आधी हक की है। आधी बिना हक की है। मैं रोज चरखे पर सूत कातकर उसे बेचती हूँ और उसी से खाने का सामान खरीदकर लाती हूँ। यह मेरे परिश्रम की कमाई हक की है। आज कुछ देर हो गई थी, सूरज छिप गया था। मैं पूरा सूत कात भी नहीं पाई थी कि, सूरज छिप गया और अँधेरा हो गया तब सूत कातने में कठिनाई होने लगी। मैं दिया जलाते जा रही थी कि इतने में ही इधर से एक जुलूस निकला जिसमें लोग मशालें लेकर जा रहे थे मैं भी जल्दी में थी दिया नहीं जलाया, उन मशालों की रोशनी में ही सूत कात लिया। आधा पहले काता था, आधा उस रोशनी में काता। इसलिये आज के सूत की आधी रोटी हक की नहीं रही क्योंकि उस रोशनी पर मेरा हक नहीं था। मैंने उससे अनुचित लाभ उठाया, आलस्य प्रमादवश दूसरे की हक की चोरी की है।

राजा ने हक का अर्थ समझकर अपनेको कृतार्थ माना और हाथ जोड़कर वहाँ से प्रस्थान किया।

आज का युग जो छल-बल कौशल से पर स्वत्वापहरण को हक मानता है, इस कहानी से यदि शिक्षा ली जाए तो बेदे आनंद की बात होगी। अतः इस कहानी के माध्यम से सामाजिक कुर्रतियों को प्रश्रय न देने का प्रण करती हूँ।

# HAPPINESS CAN BE MEASURED

"The best preparation for tomorrow is doing your best today"

## CREATING MOTIVATION

The children's world is full of ideas and imagination. Shaping these thoughts and ideas in a manner that helps them learn and grow is important. Words have a great impact on our mind, especially at the tender age when it is still in the developing and encouraging quotes leaves a positive impact on their minds and molds their behavior.

It's not whether circumstances are with you or not but how you react to it is something, which may change your destiny on the way to success. Young kids need to know how education can make life awesome. Exams should be seen as challenges rather than problems. Think out how learning should ideally be fun, not stressful. Jot your thoughts down on a note and give it to someone who is reading under the stress of exams and tests. A little encouragement can go a long way in changing someone's perspective of life.

Shed those complacent C's, avoid those boring B's and strive every single day, to get those awesome A's. We do not need magic to change the world, we carry all the power we need inside ourselves already. We have the power to imagine better.

Winners from all walks of life have their own strategies and plans but they all have one thing in common- they TRY. Keep trying.

**Winners never quit. Quitters never win.**

**Mrs. Arpita Gautam**

# Value of Love in Life

The very conception of life begins with love and if this emotion is absent then that tiny spark of life is extinguished and becomes devoid of all humanitarian values.

It is love that promotes parents to nurture their children, makes sacrifice and provides for them the best in life - of course they do get depressed at their children's failure, but it is love that gives them the fortitude to bear their pain and yet stand behind their children motivating them, counseling them and encouraging them to try harder.

An individual can live with hatred, malice, poverty, sickness, pain, trial, and tribulations, only if he has love in his life he will be able to face all odds, if he has a loving hand to guide him or a loving shoulder to cry on or loving arms to hold him.

In the world today terrorists, rapists, vandals, cheats, swindlers and scammers have everything materialistic but perhaps they lack 'Love'. If overflowed with love or had they experienced the joy of being loved then they would never have resorted to such nefarious activities.

If we wish the world to become a better place then we have to follow the footsteps of the pioneer of 'Love' and that is God for love is his word. If a person has the love of a friend then he is rich, much richer than, if he had gold, splendor, and wealth.

Therefore don't run after money, wealth, pomp and show, fame and fortune to make 'Life' more successful but fill your treasure with 'Love' the life will become more meaningful and worth 'Living'.

**Candilda Scariah**

# Parenting Tips

## CREATING MOTIVATION

### SCOUTS AND GUIDES

The main aim of the scouts and guides movement is to bring up youngster to become responsible citizens of India, who have the basic knowledge of every possible survival skill, the movement develops a young mind both physically and intellectually and it goes beyond caste and creed. Well the main thing you get from scouts and guides is the "Learning by doing" The training and exposure at scouting makes you self dependent, disciplined and definately a good citizen'.

The Rajya Puruskar and the Rashtrapati award is not like a degree certificate which will help you get a job or would state your academic achievement, but it is more like a extracurricular achievement which is definitely a value addition to your life.

Away from the safety of their parents, young boys and girls will find their role within their troupes and learn to become independent.

In both programs, boys and girls are given various tasks and through this activity they gain a sense of independence.

They are responsible for their own actors and for doing their part for the troupe. Learning these skills at a young age set a strong foundation for a healthy happy future, in which these boys and girls are able to handle themselves.

**Deepti Mehmi**  
(Guide Captain)

- (1) A child is the most beautiful Gift-Cherish it.
- (2) Each child is unique-don't compare him with any other child.
- (3) Before pointing the faults, find the qualities of your child.
- (4) Show faith in his words. Trust him.
- (5) Spend some quality time with your child. Talk to him, play with him and listen to him.
- (6) Make him aware that you are with him always.
- (7) A morning hug, a lunch together and a good night kiss works miracles.
- (8) Behave with others as same as you want your child to behave. He is your mirror image.
- (9) Never lie in front of your child if you want him to be truthful.
- (10) Respect his elders, teachers and friends so that he also respects them.

A child's behaviour portrays his parenting!

## सम्पादक की कलम से.....

गुरु कुम्हार शिव कुम्भ हैं, गढ़ि-गढ़ि काढ़ै खोट ।

अंतर हाथ संहार दे, बाहर बाहै चोट ।।

किसी भी उपवन का माली अपनी कुशल देख-रेख और काट-छँट से उद्यान के रूप को सँवारता है, मूर्तिकार अपनी छैनी से बेडौल पत्थर में देवत्व की प्रतिष्ठा करता है। इसी प्रकार जो 'मानव' शब्द को सही अर्थ और पहचान देता है, जो मनुष्य में मनुष्यत्व का निर्माण करता है, वह चरित्र शिल्पी 'गुरु' के गौरवपूर्ण नाम से जाना जाता है।

कबीर ने कहा है - सतगुरु की महिमा अनंत

अनंत किया उपकार

ऐसे ही गुरुओं की महिमा एवं कृपा से ही एक आदर्श विद्यार्थी का निर्माण होता है जिसे गुरु, शिक्षा, प्रदान कर एक भावी नागरिक देश के निर्माता का निर्माण करता है। विद्यार्थी का प्रमुख कार्य विद्या का अध्ययन करना है तथा उत्तम संस्कारों को ग्रहण करना है।

हमारे विद्यालय की पत्रिका 'ज्ञानदा' का नवीन संस्करण, विद्यालय के होनहार छात्र-छात्राओं एवं प्रबुद्ध शिक्षकगणों की अनुपम प्रस्तुतियों से ओत-प्रोत नवीनतम रचनाओं का संकलन, आप सभी पाठकों को निश्चित ही हृदयगत कर लेगा। आप सभी की ओर से विशेष भावाभिव्यक्ति की आकांक्षा अपेक्षित रहेगी।

धन्यवाद

रीना शर्मा

हिन्दी विभागाध्यक्ष
