## **MESSAGE**

**Dear Parents and Students**

As we embark on the new academic session, I extend a warm welcome to each one of you. With spirits brimming with optimism and enthusiasm, we open our doors to new possibilities, fresh perspectives and boundless opportunities. We at Mittal International School, Kota are committed to nurturing the inherent potential of each child to create lifelong learners. With this in mind, a vast array of activities have been planned for the upcoming session. The journey promises to be filled with discovery, growth and accomplishment. As we commence this academic journey, let us embrace the challenges that lie ahead with resilience, determination, and a thirst for knowledge. Let us foster an environment of collaboration, mutual respect and support, where each individual is empowered to reach their fullest potential. Let us congratulate our students for their triumphs while enabling them to navigate the inevitable obstacles with grace and fortitude. Let us cultivate a culture of excellence, innovation and inclusivity that transcends boundaries and inspires greatness. I urge the students to embrace the power of goal setting and discipline. Set ambitious goals that stretch your limits and ignite your passion. Break them down into manageable steps, and then commit yourself wholeheartedly to the pursuit of excellence. And when doubts creep in or obstacles arise, remember the words of Aristotle: "We are what we repeatedly do. Excellence, then, is not an act, but a habit". Believe in yourself, dear students. Believe in your ability to achieve greatness. With clear goals, unwavering discipline and a steadfast determination, there is no limit to what you can accomplish. As we embark on this journey together, let us forge bonds that transcend the confines of classrooms and let us create memories that will last a lifetime. With unwavering commitment and collective endeavor, let us make this academic session a resounding success. Once again, welcome to the new academic session. Here's to a year filled with discovery, growth, and endless possibilities!

**Best wishes for a remarkable journey ahead.**

**Warm regards**

## Special Assembly on Ambedkar Jayanti and Baisakhi

**Saturday, 13th April 2024**

**Grade : XA**

**Incharge : Ms Mukta**

“Knowledge is the foundation of a man's life’ – B.R. Ambedkar

Morning assembly brings the entire school together as a family. In the beginning of the each day, it establishes a positive tone for the teachers and the students and encourages positive involvement of all the students in running the assembly.

Dr. Ambedkar was a man of many virtues. He was a jurist, economist, politician, and social reformist. Popularly known as Babasaheb, he was a man of social substance who became India's first-ever Independent Law Minister and principal architect of the Indian Constitution. He was the one who sparked The Dalit Buddhist Movement in 1956. Dr. Ambedkar was against social discrimination, for which he even supported Dalits while supporting equality for women and laborers.

To pay tribute to his contributions made to our country, Mittal International School celebrated Ambedkar Jayanti on 13th April, 2024 in the school premises. A special assembly was conducted to commemorate his teachings, works and significance of the day by Grade X A students of the school. The assembly started with a prayer to seek blessings from the Almighty. After which a cultural presentation was done by the students of grade Xth Students to showcase how Dr. B.R Ambedkar's teachings can help us in our daily lives through their speeches and slogans. Students of grade X were dressed up. Moving further Preamble was also read by Aruba Parveen of Class X A to make students aware of the core values of the Constitution.

Post Ambedkar Jayanti's celebrations, Baisakhi was also celebrated with equal fervour and emotion. Children prepared a presentation on Baisakhi signifying importance of celebrating this festival in our country.

Principal Ms. Sarabpreet Mukherjee ma'am enlightened the young audience highlighting the importance of day. She motivated the students to follow Dr Ambedkar's footsteps and inculcate his values in their lives to achieve their aim and uplift society. As Baisakhi marks the beginning of the harvesting period, happens to fall on same day she stressed explaining about festival, its cultural, regional and historical significance that helps us to stay connected to our heritage. Punjabi Dance was presented by the students Aruba, Jigisha, Payasvi Rudra Gauri, Gungun Bawana and Komal. They demonstrated different rhythms in the dance style, which was enjoyed by all. In the end the assembly concluded with the National Anthem.

## Class Activity- Bird Feeder Making

**Venue:** Art Room

**Instructors:** Art Teachers

**Grade:** VI to VIII

**Date:** [Insert Date]

### **Introduction:**

The Art Room at Mittal International School buzzed with creativity and enthusiasm as students from Grades VI to VIII engaged in a bird feeder making class activity. Led by the dedicated art teachers, this event aimed to blend artistic expression with environmental stewardship, fostering a holistic learning experience for the students.

### **Activity Overview:**

Under the guidance of the art teachers, students were provided with a variety of materials including recycled bottles, wooden sticks, paints, and bird seeds. Encouraged to explore their creativity, students embarked on the task of designing and constructing bird feeders, infusing their creations with both functionality and aesthetic appeal.

### **Creativity Unleashed:**

The Art Room became a hub of innovation as students unleashed their artistic talents, transforming ordinary materials into unique bird feeders. Some students opted for vibrant colors and intricate designs, while others focused on practicality, ensuring their feeders were sturdy and weather-resistant. Throughout the activity, the art teachers provided guidance and support, nurturing the students' creativity and fostering a collaborative learning environment.

### **Environmental Awareness:**

In addition to honing their artistic skills, students were educated about the importance of bird feeders in supporting local bird populations. Discussions led by the art teachers highlighted the role of bird feeders in providing essential nourishment, especially during harsh weather conditions. Students also learned about the significance of using recycled materials, promoting sustainability and environmental conservation.

### Conclusion:

As the class activity came to the end, the Art Room was adorned with an impressive array of bird feeders, each reflecting the unique creativity and dedication of its maker. These bird feeders will not only serve as a source of sustenance for avian species but also as a tangible symbol of the students' commitment to environmental responsibility. The event exemplified Mittal International School's holistic approach to education, emphasizing the importance of creativity, collaboration, and environmental stewardship.

## **A Report On Trip to Heritage Place (Kotah Garh Palace)**

Heritage club is a platform for students who are curious and passionate in knowing the past. Beyond classroom learning the club offers opportunities to explore, understand and document the history of various localities, cultural traditions and so on. Through the club, students can identify and pass down to the next generations the multifarious socio-cultural traditions of our past.

We at the Kota City do not only preach but also follow our instincts.

We don't only urge students to preserve the grandeur of our monuments, but we've also been constantly engaged in viewing and appreciating our heritage.

We've taken the first step towards change. We've gone on to Ground Zero. About 58 students of Mittal International School, Kota had the privilege to visit Kotah Garh Palace and Museum in the month of April.

We had actually learnt how important conserving Monuments was.

The Garh Palace is also famously known as the former residence of the Maharao's of the Kingdom of Kotah.

Heritage Club is also taking efforts to create models of various objects, personalities, and monuments of historical importance for which a small museum is arranged.

Students enjoyed a lot there to see all kinds of Models, Statues of Maharao's, Water Clock, artillery, Photos of former Maharao's of Kotah Riyasat, etc. in the Museum.

## WORKSHOP ON BEST OUT OF WASTE

The three 'R's stand for Reduce, Reuse, and Recycle. They are part of the WASTE hierarchy which is used to protect the environment and conserve resources through a priority approach. It was an initiative to generate among children the habit of using old things to create and make beautiful crafts from waste products.

A Best out-of-Waste 'Workshop i.e. Art Workshop' was organized at Mittal International School on 27/04/24 for Grades IV to Grade VIII.

Our resource person Ms. Madhumita displayed beautiful items that were made from waste material eg. Pen holders, wall hangings, tea coasters, bags, etc. The creativity displayed by the resource person was mesmerizing.

All the participant students excitedly made many craft items under the guidance of the trainer.
